

We are getting ready for tomorrow

# ARE YOU OUR FUTURE PARTNER?

## Who is +RASMUSSEN?

+RASMUSSEN is a young, dynamic and growing consulting & training boutique.

We help companies grow, become more agile, learn how to lead change in the digital Zeitalter and we enable strategies and visions through consulting, training and coaching. We do not just consult & train – we partner with our customers!

We work with the best! We love what we do and most important: We love to partner with our customers!

## Why YOU?

We are growing our team and are looking for our new future partner in +RASMUSSEN :

- You have a passion for change?
- You are always on track with the latest digital and agile trends? And maybe even a bit nerdy?
- You have a university degree and first experiences in consulting, training or within a company?
- You are analytical and a team player?
- You have a heart for people and want to make the world a better place to work?
- You are fun to work with? And have fun working in a fast changing environment?

## Why +RASMUSSEN?

- You will work with highly experienced and insightful consultants and trainers and can learn from the best.
- You will from day one and be working on client projects – whether it is a consulting assignment or training program.
- We value people that like to drive things and will therefore give you the chance to take over responsibility soon.
- We believe and work in flat hierarchies and interdisciplinary teams and give you the chance to learn a lot very fast.
- We have flexible work models: we work from home, at the client, in the office in Munich, Starnberg or Bremen. What ever works best for us and for you.
- We are truly recruiting for the future: we want to offer you the chance to grow with us and become partner one day (but sooner than anywhere else)
